

newAQueue

```
graph LR; A[newAQueue] --> B[AQueue_isFull]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'newAQueue'. The right box is gray with a black border and contains the text 'AQueue_isFull'. The arrow points from the right side of the first box to the left side of the second box.

AQueue_isFull
